5 Amend Bill, page 8, by inserting between lines 22 and 23

6 Section 4.3. Procedure for Licensing as Professional Land
7 Surveyor.--* * *

8 (b) * * *

9 (2) An applicant who satisfactorily completes the
10 fundamentals examination shall be certified as a surveyor-in-
11 training without time limitation and may remain certified until
12 such time as [he] the applicant becomes licensed under this act
13 as a professional land surveyor.

14 (3) An applicant shall show diversification of field and
15 office experience, with at least twenty-five per cent of [his]
16 the applicant's experience in each.

17 * * *

18 (c) Each applicant for licensure shall be certified as a
19 surveyor-in-training and shall pass an examination in land
20 surveying principles and practice. To qualify for the principles
21 and practice examination, the applicant shall demonstrate:

22 (1) Four or more years of progressive experience in land
23 surveying work performed [after the issuance of the surveyor-in-
24 training certificate and] under the supervision of a
25 professional land surveyor or a similarly qualified surveyor of
26 a grade or character to fit [him] the applicant to assume
27 responsible charge of the work involved in the practice of land
28 surveying.

29 (2) Four or more years of progressive teaching experience in
30 an approved curriculum under the supervision of a professional
31 land surveyor or a similarly qualified surveyor of a grade and
32 character to fit [him] the applicant to assume responsible
33 charge of the work involved in the practice of land surveying.
